

Consultancy Club Report

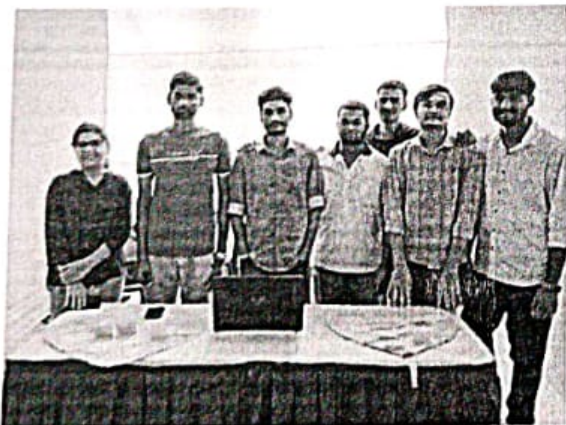

Month: July to September

Following are the key events and activities the club has organized:

1. Formation of Executive Body (21st July 2023): The club established its executive body for the third year of the academic year 2023-2024, ensuring that leadership and management were in place to carry out club activities.

2. Orientation Program for Freshers (3rd-5th August 2023): The club actively participated in the orientation program for the incoming batch of students (2023-2027). They set up a stall in the VLTC lecture theatre complex to introduce freshers to the club's mission, vision, and plans for the year. This was a great opportunity to engage with new students and generate interest in the club's activities.

3. "Krack the Case", a Business Case Study Competition (7th September 2023): The Consultancy Club organized a business case study competition named "Krack the Case" in Neeti Sabhaghar, Prabha Bhawan. The event focused on solving real-life case studies from various industries. This competition aimed to provide students with valuable insights into problem-solving strategies, the opportunity to learn from successful case studies, and an understanding of potential career opportunities in the consultancy field. Winners of the competition received medals, and the event concluded with refreshments, providing a chance for networking and celebration.
