ABOUT THE WORKSHOP
National Board of Accreditation (NBA) has considered a big leap forward for the higher-education system in India, so that Indian graduates can be employed in all signatories' countries. To fulfill this objective MNIT Jaipur is organizing a workshop on Outcome based education and NBA accreditation process. The aim of workshop is to create awareness among the faculty about NBA accreditation process for academic institutions. The workshop would focus on the objectives, methodology, process flow and benefits about NBA Accreditation. Important highlights on New Self-Assessment Report (SAR) will be discussed by eminent experts engaged in NBA accreditation. In addition, various assignments will be performed on Program Educational Objectives (PEOs), program curriculum and teaching - learning processes, Course Outcomes (COs), Program Outcomes (POs) and Program Specific Outcomes (PSOs). This hands on workshop aims to enable participating faculty to handle the accreditation process with full ability. Officials from AICTE, NPIU, renowned experts on Outcome Based Education and NBA accreditation will deliver the talks.

ABOUT MNIT JAIPUR
Malaviya National Institute of Technology Jaipur is an NIT established by Ministry of Human Resource Development, Government of India. The institute was established in 1963, attained the status of National Institute of Technology in 2002 and was proclaimed an Institute of National Importance through Act of Parliament in 2007. The institute offers UG and PG (M.Tech./M.Sc./Ph.D.) level courses to about 5000 students, in almost all leading fields of engineering, technology, management and sciences.
